

VITORS

VILLAGE

At Vitor's Village, we offer two board options to complement your stay: **breakfast only** and **half board**, which includes breakfast and dinner.

These services have been carefully crafted to provide a varied and quality dining experience, catering to your needs during your stay.

BREAKFAST

Breakfast at Vitor's Village is served buffet style, with a diverse selection of products, such as:

- Seasonal fruits
- Cereals
- Various types of bread
- Croissants and other pastries
- A variety of cheeses and cold cuts
- Eggs (scrambled, boiled or fried)
- Beans
- Sausages
- Bacon
- Mushrooms
- Juices
- Coffee, milk and tea

Note: If the number of guests is very low, making the preparation of the buffet unfeasible, breakfast will be served at the table, allowing guests to choose from all the products that usually make up the buffet.

DINNER

Dinner is served in the restaurant, where we offer a **fixed menu**. This includes:

- **Starter:**
 - Choose between soup or a simple salad
- **Main Course:**
 - Choose 1 of 3 options: meat dish, fish dish or a special dish, which can be pasta, eggs or vegetarian.
- **Dessert:**
 - Choose between ice cream, fruit or the dessert of the day.

Notes:

- Drinks not included.
- Dinner may be served in buffet format during periods of high occupancy.
- If you have any dietary restrictions, please notify Vitor's Village at the time of your reservation.
